**Subject: False Alarm at Toronto Facility, 1025 Lansdowne Ave.**

On Saturday, April 15, 2017 at approximately 10:45 a.m. an alarm was accidentally triggered at BWXT Nuclear Energy Canada's Toronto plant as a result of an employee working in the building on the weekend. Toronto Fire Services, Emergency Medical Services and Police responded whereupon BWXT NEC environmental health and safety staff, who were on site, verified that it was a false alarm.

There was no health or safety risk posed to the public or employees.
